

## PARENT SUPPLIED PHOTOGRAPHS FOR THE 2018 GRADUATION YEARBOOK

Thank you for taking the time to supply photographs of our Year 6 students for the 2018 Graduation Yearbook. As you can appreciate, it is a big job to coordinate the photographs for the publication, so we are streamlining the process by using available digital resources such as cloud file sharing platforms ie; DROPBOX

On the following page is a table that identifies the major events or areas for which we are seeking photographs. To the right of the event is blue link. This is a dropbox file request. All you need to do is click on the appropriate link and you will be taken to an upload screen. Then follow the prompts and navigate to the photo/photos you wish to share and upload them to our folder. It is a very simple process.

To further assist us, we ask that your photographs meet the following criteria:

1. Be a JPEG
2. Be a really good photograph, something that would look awesome in the Graduation Yearbook.
3. Be no more that 300 dpi (dots per inch) in layman terms we don't want massive size files, if its over 2MB it's too big.
4. Naming convention is important for us to identify the photograph from the hundred others. Call the JPEG, your name with the date IE: SMITH12022016.jpg
5. Be unique. Uploading lots of similar shots is not necessary, one of each setting is plenty, and we thank you for it. However, feel free to upload more than one photograph for each event.

If you have any issues, upload the wrong file, or put it in the wrong place, just email the dropbox owner at [amanda@qcumber.com.au](mailto:amanda@qcumber.com.au) and she will fix all. Again our thanks for your support and participation.

THE GRADUATION COMMITTEE  
YEAR 2018
